Islamiyat

100 Original MCQs with Answers & Explanations

About this book

The pillars of Islam, the Holy Quran, the Seerah of the Holy Prophet (peace be upon him), the rightly-guided Caliphs and the landmark events of early Islamic history — presented respectfully, from universally accepted textbook facts, with a brief note under every answer.

How to use this book

Attempt each question honestly before reading the answer printed below it. The correct option is marked in the green box, followed by a short explanation — read the explanation even when you were right, because that one line is the fact the examiner is testing. When you finish, check yourself against the answer key at the end and note the topics you missed.

Original content

Every question in this book is an original work, written exclusively for MCQs Tayyari. No question has been copied from any book, website or question bank. You may print this ebook for your own study; please do not redistribute it commercially.
