Pakistan Studies

100 Original MCQs with Answers & Explanations

About this book

From the War of Independence 1857 to the Pakistan Movement, constitutional history and the geography of Pakistan — this book covers the Pakistan Studies core that every one-paper exam tests. Dates and facts follow the standard textbook record, and each answer carries a short explanatory note.

How to use this book

Attempt each question honestly before reading the answer printed below it. The correct option is marked in the green box, followed by a short explanation — read the explanation even when you were right, because that one line is the fact the examiner is testing. When you finish, check yourself against the answer key at the end and note the topics you missed.

Original content

Every question in this book is an original work, written exclusively for MCQs Tayyari. No question has been copied from any book, website or question bank. You may print this ebook for your own study; please do not redistribute it commercially.
