Q17. Explain the difference between epigeal and hypogeal germination with the help of diagram. 6

Q18. What is fertilization? Describe any five differences between external fertilization and internal 6 fertilization.

Q19. What is water pollution? How can it be controlled? 6 Notes on this reproduction • Typeset by Tayarri from the printed question paper; no answer key is reproduced. The source sheet is pre-ticked by the publisher, so options are given unmarked. • Source sheet is a guide reprint: no board monogram and no paper code are printed. • Board spellings kept verbatim: “Texta” (testa), “Cotaladyn” (cotyledon), “Hinge point” (hinge joint), “Been seed” (bean seed),

“Respiratory surface processes the property”, “extinct endangered”, “Choose the correct Answer form the given Options”, and “Each question tries Six (6) marks”. • Cross-medium difference: the Urdu-medium sheet gives the first option of MCQ (vii) correctly as “Testa”, where this sheet prints “Texta”.
