Q9. Read the following passage and answer the questions given below: (15) Success does not shake hand easily; it requires dedication, patience and hard work. Many people dream of achieving great things but only those who put in the effort can turn

their dreams into reality. Hard work helps people to overcome challenges, develop new skills, and gain experiences. Whether in school, sports or a career, consistent effort leads to improvement. Famous scientist, athletes and leaders all reached and succeeded through years of determination. For example, Thomas Edison, the inventor of the light bulb, failed thousands of times before he finally succeeded. Similarly, great athletes get trained for years before they win championship. Their success is not just because of talent but also because of their willingness to work hard.

(i) Give a suitable title to the paragraph. (1)

(ii) How does hard work help people in different career in life? (2)

(iii) What example history shows the importance of hard work? (3)

(iv) Find a word of same meanings from above passage for each of the following words: (5)
(a) strive (b) for instance (c) eventually (d) eagerness (e) betterment

(v) Write a summary of the paragraph. (4)
