Current Affairs 2025-26

100 Original MCQs with Answers & Explanations

About this book

The major completed events of 2024-2026 — summits, awards, championships and milestones — written as facts of record that stay true. A focused revision book for the current-affairs block of PPSC, FPSC and other one-paper exams.

How to use this book

Attempt each question honestly before reading the answer printed below it. The correct option is marked in the green box, followed by a short explanation — read the explanation even when you were right, because that one line is the fact the examiner is testing. When you finish, check yourself against the answer key at the end and note the topics you missed.

Original content

Every question in this book is an original work, written exclusively for MCQs Tayyari. No question has been copied from any book, website or question bank. You may print this ebook for your own study; please do not redistribute it commercially.
