Q17. Write a critical appreciation of “Samson Agonistes”. OR Write a summary of “Space Ship One”.

Q18. Princess Flavia is the symbol of love, sincerity, sacrifice and responsibility. Discuss her character and prove her qualities. OR Make a Précis of the following passage and give it a suitable title: The value of visual media is particularly great in countries such as Pakistan where the rate of literacy is low, the population dispersed in small rural communities and where it is essential to social and economic progress that the knowledge of science and technology be disseminated widely and applied effectively to production. The possible uses of films in many areas are so many and

so varied as to call for some elaboration. Films have fundamental contribution to make to the improvement of education itself. It is possible here to indicate only a few of the ways in which this useful invention can serve to widen the experience of students and vitalize instruction. In science, for example, it is possible to present through films rare microscopic viruses and bacilli, to reproduce entire life cycle within a matter of minutes, to plumb the ocean depth and explore celestial galaxies and to demonstrate graphically and dramatically complex chemical reactions or to explain difficult physical theories.
