General Knowledge (World)

100 Original MCQs with Answers & Explanations

About this book

World capitals, rivers, international organizations, famous firsts and landmark history — the timeless general knowledge that appears in exam after exam. Every question in this book is an original, written for MCQs Tayyari, with the key fact explained under each answer.

How to use this book

Attempt each question honestly before reading the answer printed below it. The correct option is marked in the green box, followed by a short explanation — read the explanation even when you were right, because that one line is the fact the examiner is testing. When you finish, check yourself against the answer key at the end and note the topics you missed.

Original content

Every question in this book is an original work, written exclusively for MCQs Tayyari. No question has been copied from any book, website or question bank. You may print this ebook for your own study; please do not redistribute it commercially.
